# Open Up Sheffield 2024

Welcome to this year's Open Up: your opportunity to meet and chat with artists and makers from across the city and beyond! We have over 120 talented and interesting artisans taking part this year including some long-term favourites, many new studios and a real variety of art and craft practices to visit and explore.

The brochure and website [www.openupsheffield.co.uk](http://www.openupsheffield.co.uk) have been designed to help you select where to go and who to see. Organised by postcode and neighbourhood, we've included maps showing you where the studios are located. The website also includes each artist's profile giving you examples of their work and what to expect when you visit. Whilst most studios are open over the whole festival period, please check the website before you visit for up to date studio opening times and any access restrictions.

A big thank you, as always, goes out to the small voluntary group that organises the festival with preparations starting in August last year. I'd also like to say a thank you to our generous sponsors Sheffield City Council and the Art House. We're particularly excited about our on-going relationship with the Art House and we plan to provide a number of exhibitions, discussions and demonstration opportunities throughout the year: see the web site for details!

And finally to you, the visitor; thank you for supporting us again this year and we really hope you enjoy Open Up 2024! Please do email us with your comments and recommendations [info@openupsheffield.co.uk](mailto:info@openupsheffield.co.uk).
